An Introduction to Adams

Who are we?

For over twenty-five years, Adams has created safe, easy-to-use, affordable products to suit a variety of consumer needs—from high quality suction cups and Holiday decorating accessories to a comprehensive line of stacking and folding resin furniture. Today, Adams is an industry leader in resin furniture, providing a full selection of items for outdoor living.

Location

Adams is located just north of Pittsburgh, Pennsylvania in the small town of Portersville.

Why resin?

Resin is simply the best value for outdoor furniture. Sturdy and reliable, and yet highly stylish, resin is the backbone of the pool and patio. Resin furniture is also 100% recyclable. Look for the recycle symbol under all of Adams' furniture. Longer lasting with less maintenance, resin is the best value on the market.

Testing

Each item is thoroughly tested for commercial use according to ASTM testing requirements. You can be certain that Adams provides a safe, quality product.

Why Adams?

A commitment to innovation, exceptional customer service, and stringent quality puts Adams a step ahead. Feel proud supporting a company that manufactures 100% of its products in the U.S.A.

Color Selection

The color selection for each product is listed in the product details. All items are UV-protected to maintain the color throughout the life of the product.
